WHAT IS IT?

- Hoshizaki America Inc. has scheduled three 2 day Advanced Training Seminars for Fall 2018.
- The Advanced Seminar covers in-depth, the operation and diagnostics of the water, refrigeration and electrical systems of the KM cuber, F/DCM and Reach-in units as well as hands on rebuilding of certain components along with troubleshooting problem equipment.
- We limit these seminars to 15 attendees per class and **recommend that Service Managers or Lead Technicians attend.**
- The classes will fill quickly and usually have a waiting list.

HOW MUCH DOES IT COST?

- There will be a **non-refundable \$50.00 per person registration fee** required to reserve your place in one of the training classes.
- You will also be **responsible for your own transportation and lodging cost.**
- Hoshizaki will **provide training materials, handouts and meals during the seminar**; you will also **receive a gift** for your participation.

HOW TO REGISTER?

- **Prerequisite:** To attend the Advanced Seminar you must have attended a Hoshizaki factory sponsored Basic Seminar within the last two years.
- Fill out and submit the registration form on the following page
- **We must receive your registration form and fee 3 weeks prior** to the requested seminar. The classes will fill quickly and usually have a waiting list.
- If you register, please make every effort to attend. No-shows cost money and leave a seat that could have been filled.
